

# Full Moon Walk

October 25<sup>th</sup>

7:00 - 8:00pm

## Take a Walk Beneath the Rays of October's Full Moon

Settle your heart and body into a calm and quiet place during an evening walk by the light of a Hunter's full moon.

All ages are welcome to join Rabbi Katy Allen as she leads a walk through the woods, fields, and along the Sudbury River in the Greenways Conservation Area.

You are also invited to bring a story, song or poem to share about the moon, autumn or nature. We'll discover and appreciate the magic of the Hunter's full moon, the river, and nature.
